Why Choose Simplers Essential Oil Brand?

100% Pure, Highest Therapeutic Quality Oils

- » Simplers Essential Oils are Therapeutic Grade - a Practitioner recommended brand.
- » 90% of our oils are certified organic from small artisan distillers located all over the world and are never adulterated.
- » Our cost is indicative of our quality. Although adulterated, synthetic and reconstructed oils are easier to make and are a lot less expensive, only genuine oils have true therapeutic effects.

Customized Support & Service

- » Rather than selling through distributors, Simplers prefers doing business directly ensuring excellent customer service.
- » Six Staff Herbalists are available to answer questions from you, your staff and customers. Use our toll-free number anytime Mon.-Fri., 9am-5pm PST.
- » Simplers provides staff trainings and a generous sample program to keep your sales team educated and informed.

Our Environmental Consciousness

- » As a Green Company owned and operated by herbalists, we are committed to Sustainable Business Practices.
- » Simplers belongs to United Plant Savers, a conservation effort to save native endangered or threatened plants. We do not purchase oils or herbs that are not ethically grown or collected.
